## Time Flies When You're Working In HR

It is hard to believe that we have officially completed the Spring semester! It feels like just yesterday that classes kicked off with an in-person (after 2 years of virtual!) orientation. With summer around the corner, we hope that all of our VUSHRM members have some time off to enjoy the sun and to spend time with family and friends. To our graduating members - CONGRATULATIONS! Graduation is a huge accomplishment that deserves to be celebrated. Maybe we will see you back on an HRD Alumni Panel one day!

Signing off for the summer,
